**NORDMARIN LLC** successfully secured the drydocking project for the pleasure yacht **MY FALCON** from **ASAM INVESTMENT AND REAL ESTATE**. The drydocking of **MY FALCON** took place at AL JADDAF on March 27, 2023.

**NORDMARIN** effectively executed comprehensive scope of tasks for the drydocking project of the pleasure yacht. This included the overhaul of valves and pumps, servicing of quantum stabilizer hydraulic cylinders, and efficient procurement of OEM spares. Additionally, **NORDMARIN** took charge of miscellaneous fabrication jobs, such as pipeline renewals and anode replacements. Our pivotal role in ensuring the timely delivery of required spares for the mechanical team contributed to the project's success.

**MY FALCON** was undocked on April 05, 2023. The vessel sailed out following the completion of all **NORDMARIN**'s scope of work to the full satisfaction of client.
