NRT	:

After undergoing major stimulation project refurbishments under NORDMARIN LLC (then called Gmmostech Marine and Technical Services LLC) four years ago, AUBURN SHIP MANAGEMENT again entrusted NORDMARIN LLC the dry docking and repairs of their well stimulation vessel, MV GULF PEARL. Gulf Pearl arrived in DMC on August 09, 2018 and docked on August 13, 2018.

NORDMARIN LLC as the main contractor, carried out docking/undocking jobs, blasting and painting hull & deck jobs, major overhauling jobs of main engine, auxiliary engine, bow thruster and stern thruster, new auxiliary engine installation jobs, major pipeline renewal jobs, major steel renewal jobs up to 30 tons, valves overhauling and renewal jobs, fresh water tanks cement coating, ballast tanks cleaning, high pressure washing jobs, etc..

Gulf Pearl undocked on November 26, 2018 and the vessel left DMC on the October 17, 2019 to the fullest satisfaction of the customer.
