On June 2018, Zakher Marine International, one of **NORDMARIN LLC** (formerly *Gmmostech Marine & Technical Services LLC*) most valued clients, once again entrusted one of its vessels to the hands of NORDMARIN LLC.

On June 07, 2018, the 65m 4000 BHP DP2 FiFi 1 offshore support vessel, Sea Conquest arrived in Dubai Maritime City to undergo normal dry docking jobs with **NORDMARIN LLC** as the main contractor.

After completing most of the repairs jobs while at wet berth Sea Conquest docked on June 26, 2018 and **NORDMARIN LLC** carried out dry docking jobs and general services for the vessel.

NORDMARIN LLC performed major works such as blasting and painting, Z-peller overhauling, sausage and tyre fender removal and refitting, main engine overhauling, valves overhauling, blower overhauling, B/T & B/T motor overhauling, bilge pump-out, engine, steering gear overhaul and pump room cleaning jobs.

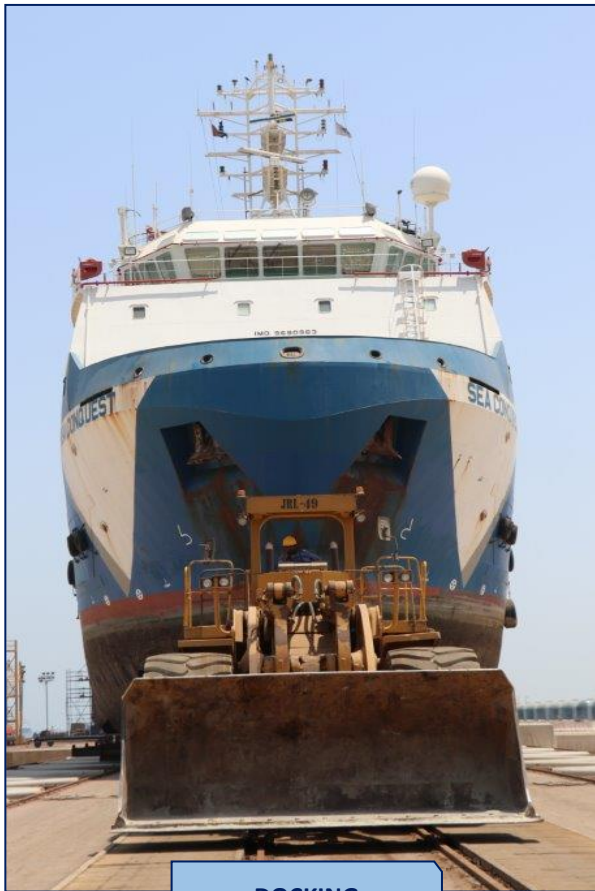

After the dry docking repair jobs were completed, Sea Conquest undocked on July 10, 2018 and then sailed out from DMC on July 27, 2018.
