 GRT : **6523 T**
 NRT :

NORDMARIN LLC (formerly *Gmmostech Marine & Technical Services LLC*) had its first project venture with Link Energy Est. with the dry docking jobs of oil/chemical tanker DAWN 1.

DAWN 1 docked in Dubai Maritime City on July 23, 2019.

NORDMARIN LLC carried out docking/undocking jobs, blasting and painting hull jobs, main deck pipe line jobs, stbd A/E overhauling jobs, main engine overhauling jobs, removal of port side A/E old & installation of new A/E, access crop out and re-weld in hull for access, rigging of old and new engine, foundation modification jobs for port side, automation and electrical jobs for new port A/E, zinc anode renewal in hull and ballast tanks, valves overhauling and renewal jobs.

DAWN 1 undocked on August 14, 2019 and after all jobs have been completed to the full satisfaction of the client, the vessel sailed out from DMC on August 29, 2019.
