NRT	: T

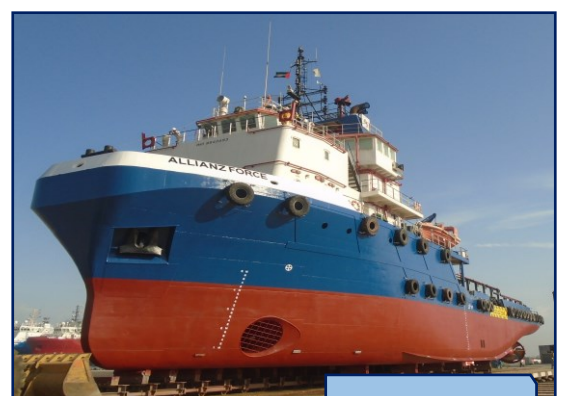

The second business collaboration between **NORDMARIN LLC** and **MAST MARINE SHIPS MAINTENANCE LLC** was the arrival and docking of another anchor handling tug/offshore supply ship, **ALLIANZ FORCE (ex-AMIL 59)** in Dubai Maritime City on April 12, 2020.

NORDMARIN LLC carried out docking and undocking jobs, hull blasting and painting jobs, steel renewal in port & stbd side, renewal of pipe spools, overhauling and renewal of valves, overhauling of pumps with motors, renewal of galley hot plate, procurement and supply of submersible pump with necessary fittings, cleaning of FO tank, calibration of fuel oil and fresh water flow meter, overhauling of air vents, procurement and supply of tyre fenders, bow thruster oil drain & refilling, bulk compressor and cement tank safety valve calibration, etc.

ALLIANZ FORCE (ex-AMIL 59) undocked on April 19, 2020 and after all jobs have been to the full satisfaction of the client, the vessel sailed out from DMC on May 13, 2020. The dry docking period was carried out in record time despite being carried out during the COVID-19 Lock Down period in Dubai
