NORDMARIN LLC in collaboration with its client, **ATLANTIC MARITIME GROUP FZE** was awarded the job for the dry-docking repairs of the offshore supply ship. The supply ship docked in Dubai Maritime City on November 01, 2023.

NORDMARIN LLC carried out a variety of standard docking activities, including tasks like hydro blasting and painting for the hull, anchor, and anchor chain. Going beyond the basics, the project encompassed additional painting and marking for the extended accommodation area, elevating the visual appeal of the vessel. The careful marking of tank levels, draft indicators, and Plimsoll lines added to the comprehensive nature of the maintenance efforts. By executing these routine docking tasks with precision and meticulous attention, **NORDMARIN LLC** showcased its dedication to the aesthetic maintenance of the vessel. The thoroughness of these activities underscores **NORDMARIN LLC's** commitment to upholding high standards in routine maintenance and contributing to the overall seaworthiness of the vessel.

AOS VISION undocked on November 10, 2023. After all jobs completed to the full satisfaction of the client, vessel sailed out from Dubai Maritime City on November 11, 2023.
