**NORDMARIN LLC** got awarded dry-docking jobs of a commercial vessel **MAC FALCON** by **THOME OFFSHORE MANAGEMENT PTE LTD**, a dynamic provider of integrated ship management services. The vessel arrived in Dubai Maritime City on March 14, 2021 and was docked on March 28, 2021.

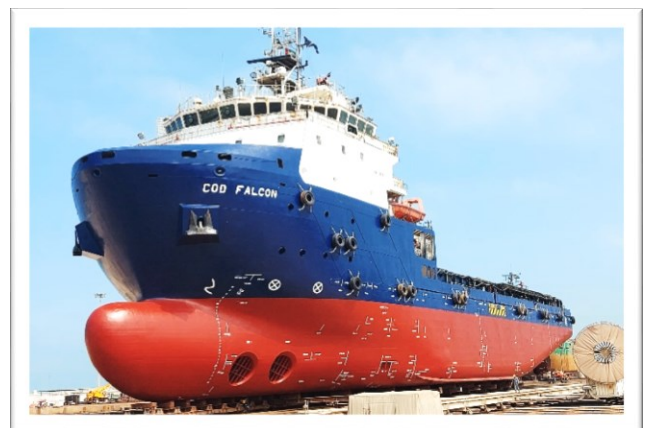

**NORDMARIN LLC** was tasked with handling docking of the vessel for Special Survey. We have carried out hull treatment and painting, main engines (electronic engine - C32) and generators (C18) overhauling, tank cleaning, valves and pumps overhauling, miscellaneous mechanical and electrical jobs, motors / alternators overhauling and general fabrication and carpentry jobs.

**NORDMARIN LLC**, being the only authorized service provider for **BIOSEA** Ballast Water Management System in UAE was tasked with installation and commissioning of the same.

**MAC FALCON** undocked on April 7, 2021. After all jobs completed to the full satisfaction of the client, the vessel sailed out from Dubai Maritime City on July 18, 2021.
