DWT : 1838 T

Offshore Supply Vessel **TANDIS 31** arrived at Dubai Maritime City on February 08, 2023 to undergo dry docking jobs with **NORDMARIN LLC** as the main contractor. Nordmarin carried out drydocking scope of work including surface preparation, overhauling of valves, pumps, other misc. fabrication jobs. In addition, the key part of our scope comprised the reactivation of CPP unit. Nordmarin successfully executed the reactivation program of the CPP unit, managed to arrange spares within short time span.

TANDIS 31 docked on February 16, 2023. After all jobs were completed to the full satisfaction of the client, she undocked on March 22, 2023 and sailed out from Dubai Maritime City on April 28, 2023.
