NORDMARIN LLC got awarded dry-docking jobs on Offshore Supply Ship **SEACOR RESOLUTE** by **SEACOR OFFSHORE DUBAI LLC**. **NORDMARIN LLC** welcomed her arrival to Dubai Maritime City on September 27, 2022 and docked on the same day.

NORDMARIN LLC carried out repair jobs both on dry dock as well as wharfage. Our team carried out fabrication, mechanical & rigging works. Cleaning team carried out washing & scrapping of hull to remove barnacles. Anchor and anchor chain ranged, washed, calibrated and re stowed with anchor windlass. Our team scrapped and cleaned grid coolers to remove barnacles. Overhauled air vents (33nos) for class survey. Renewed pipelines in engine room for hot water line. Tank cleaning completed in various Liquid mud tanks, Dry bulk tanks, portable freshwater tanks, Main Engine & Auxiliary Engine fuel oil tanks, sewage tank. Mechanical team overhauled Liquid Mud Pump and fabricated new threaded pipe. Fabrication team renewed deck wood flat bar on main deck. Overhauled anchor hydraulic motor with brake by renewing seals, assembled and bench tested. Fabricated and installed new transducer tank by removing old echo sounder and installed new client supplied echo sounder with necessary modification. Handed over the vessel back to client in full satisfactory condition.

SEACOR RESOLUTE undocked on October 03, 2022. She sailed out from Dubai Maritime City upon the completion of all **NORDMARIN** scope of work to full satisfaction of the client on October 13, 2022.
