| GRT | : 3588 T |
| NRT | : 1588 T |

On 2014, **NORDMARIN LLC** (formerly *Gmmostech Marine & Technical Services LLC*) in collaboration with Iraq based general trading and contracting company, Qaimat Dar Al Basrah, was awarded the job for the Rehabilitation of two Suction Hopper Dredgers, one of which is AL MERBID, by the Ministry of Transport, General Company for Ports of Iraq, Department of Contracts.

AL MERBID, arrived in Dubai Maritime City on August 13, 2014 and docked on August 26, 2014.

NORDMARIN LLC carried out docking and undocking jobs, blasting and painting jobs of the whole dredger, full accommodation renewal, full accommodation and engine room pipe renewal, main engines overhauling, new auxiliary engine installation, dredging line renewal, dredging equipment installation, dredging line hydraulic pipe line renewal, dredging tank sludge removal and disposal, steel renewal jobs and scaffolding jobs.

AL MERBID undocked on November 01, 2014 and after the rehabilitation jobs have been completed to the full satisfaction of the client, the dredger sailed out from DMC on June 01, 2015.
