The first project collaboration between MYRILGULF INTERNATIONAL FZE and **NORDMARIN LLC** (formerly *Gmmostech Marine & Technical Services LLC*) materialized when the landing craft ARIAN 9 arrived in Dubai Maritime City on October 13, 2019 to undergo dry docking jobs with **NORDMARIN LLC** as the main contractor. The boat docked on same date and **NORDMARIN LLC** provided dry docking jobs and general services and miscellaneous repair jobs for the vessel.

NORDMARIN LLC carried out docking and undocking jobs, blasting and painting of hull & main deck, pipe line jobs in deck & engine room, rebuilt/converted the sea chest piping system, both tail shaft major overhauling, both rudder major overhauling jobs, anchor winch overhauling jobs, steps renewal & chequered plate jobs in engine room, pipe fender renewal jobs, steel renewal jobs, valves overhauling & renewal jobs, etc..

ARIAN 9 undocked on November 12, 2019 and after all jobs have been completed to the full satisfaction of the client, the vessel sailed out from DMC on November 26, 2019.
