

HEALTH, SAFETY & ENVIRONMENTAL POLICY

It is the policy of NORDMARIN LLC to provide a healthy and safe working condition for all its employees and assets, and to maintain a safe pollution free operating practice that complies with national and international regulations and relevant standards and guidelines.

NORDMARIN LLC is committed to achieve this by systematically applying an HSE management system as follows:

- Comply with the prevailing laws and regulations of Dubai and UAE as well as the company standards for ship repair / conversion / maintenance work;
- Establish and monitor Health, Safety and Environmental targets and continuously strive to improve such targets;
- Instigate and maintain an effective dialogue with our employees to ensure that everybody understands that they are personally responsible for compliance to applicable HSE legislations, regulations and standards as applicable to their own workplace or work;
- Seek to integrate the company HSE objectives and procedures into every operation and activity of the company;
- Review this HSE Policy at regular intervals for its continued suitability;

The ultimate objective of this HSE Policy is to:

- Promote a positive safety culture in which all NORDMARIN LLC and subcontractor employees share our commitment to maintain a safe workplace;
- Empower our employees to start work only when conditions are safe and to stop work when conditions are unsafe;
- Encourage identification and elimination / control of safety and environmental hazards that can result in accidents, illness or pollution;

PAUL F. FRIEDBERG
Managing Director
