

DRY DOCKING JOBS OF 63 MTR LANDING CRAFT

AL JABER SHIPPING AGENCY AND MARINE GROUP awarded dry-docking jobs of one of its landing crafts, **AL JABER 71** to NORDMARIN LLC. The vessel arrived in Dubai Maritime City on September 20, 2021 and was docked on the same day.

NORDMARIN team carried out the dry docking of the vessel to execute rudder and rudder stock repairs due to grounding of vessel in the rudder area. The rudder seals and bearing were replaced using new yard supplied spares. Seal housing modification was carried out in house machine shop to insert specially manufactured seal. NORDMARIN also utilized the time in dock to execute general servicing of the hull and inspect the underwater valves.

After all jobs completed to the full satisfaction of the client, **AL JABER 71** was undocked and sailed out from Dubai Maritime City on October 4, 2021.
